## SECOND-HAND EQUIPMENT FOR SALE

**Due to ill-health, we have undertaken the careful clearance and collation of the railway collection of renowned narrow-gauge enthusiast and model maker Brian Clarke.**

The following equipment is all 2ft gauge unless otherwise stated, will be 'sold as seen', with no warranty given or implied and offered for sale on a first come, first served basis. All items are located at our Ross-on-Wye premises and must be collected within four weeks of sale. We are able to assist with shipping arrangements where required - please ask for a quote. To reserve items or find out more please contact [sales@alankeef.co.uk](mailto:sales@alankeef.co.uk) or call us on 01989 750757 quoting the 'item' number of interest. Please note payment in full is required in advance of collection or delivery.

### LOCOMOTIVES

Please note that the following locomotives are the **ONLY** two available for sale at the present time.

#### Item 1

'Adam' Motor Rail, 20/28hp, 2½ ton diesel locomotive. No 9978 of 1954. Fitted with original Dorman 2 DWD engine. This loco is in running order but requires completion of radiator restoration for which all required parts are with the loco - otherwise a very good, tidy example of this type of locomotive in near original condition.

**£8,250.00**

Prices shown are subject to VAT at 20% unless otherwise stated.
